

SPIRIT TIDE – THE ACOUSTIC HYMNS VOL. 1

TERMS OF USE

Note:

These originally written songs are in the Public Domain, however the cover song recordings are copyrighted by Spirit Tide.

Terms:

You may download and use recordings royalty-free for personal and non-profit use only, provided that you give credit to the original songwriter(s) and Spirit Tide. **Not for commercial use.**

You may use them in your personal or non-profit social media posts, personal and non-profit YouTube videos, and public performances (such as in church services), and for your own personal enjoyment at home, in public spaces, and in accordance with U.S. copyright laws. All other uses require permission from the copyright holder.

If you would like to use this music for any other purposes, you may email a request to hello@spirittidemusic.com. Please allow 2-3 days for a response.

Spirit Tide is a not-for-profit project, and all profits from streaming, sales, or other revenue are donated to a variety of Sabbath-keeping Church of God groups.

Additional info:

There are three download folders. Contents are as follows.

- Original full album recordings
- Instrumental versions
- Instrumentals with backing vocals versions

The instrumentals are intended to be used for live performance, such as in church services. Choose the plain instrumental versions or the backing vocals versions (which contain low-volume female accompanying vocals), depending on which works best for you.
